*Be aware; our request for NAWS attendance needs to be submitted in September. Our intention is to email our request and proposed agenda the first Tuesday in September.*

*Thank you to those that provided suggestions for topics, we have a good mix to select from. As you may have noticed on the proposed agenda, there are slots for four (4) actual workshops.*

*Additionally, to assist with Fellowship Development as presented at the meeting in Portland and reiterated in the June – July 2012 NAWS News, all in attendance will be encouraged and welcomed to sit in on all of the sections to give a good overview of what kind of experience the Regional Delegates and Alternate Delegates participate in and receive at the WSZF meeting. (WSZF Business Meetings and NAWS Workshops)*

*Please note however, attendees that are not RDs, ADs or NAWS Staff will be requested to just listen during the WSZF Business portions.*
